### ACADEMIC OPERATING POLICY AND PROCEDURE

MEMORANDUM TO: All Holders of Mississippi State University Academic Operating Policy and Procedure Manual

DATE: April, 1989  
Revised – November 25, 2005  
Reviewed-March 22, 2010

SUBJECT: AOP 11.01 - Shackouls Honors College, Division of Academic Affairs

#### PURPOSE

The purpose of this Academic Operating Policy and Procedure (AOP) is to promote an understanding of the Shackouls Honors College at Mississippi State University.

#### REVIEW

This AOP will be reviewed every four years (or whenever circumstances require an earlier review) by the Director of the Shackouls Honors College with recommendations for revision presented to the Provost and Executive Vice President.

#### POLICY/PROCEDURE

The Shackouls Honors College is a challenging variation of the standard curriculum, through which many undergraduate students throughout the University enrich their academic experiences. For many courses both required and elective, Honors sections have been established. These are limited enrollment sections taught by designated faculty members. There are Honors courses and seminars in addition to these sections of regular courses. To enroll in Honors courses, one must have been admitted to the College, which is University-wide. Requirements for joining the College and a full explanation of its phases and offerings can be found in the University catalog (consult the index).
