PURPOSE
The State of Mississippi has stringent requirements with regard to property. In addition, the Federal Acquisition Regulations (FAR) – Part 45 impose additional requirements for property furnished by, owned by, or purchased with federal funds. Appropriate definitions are provided for in the attached “Property Management Procedures Manual for Government Property” revised September 2011, included in this policy by reference.

PROCESS
Specific processes for the purchase, inventory, reporting, and disposal are required under FAR Part 45. These processes are detailed in the attached policy manual.

APPROVALS
The attached Procedures Manual has been reviewed and approved by the Mississippi State University’s Cognizant Audit Agency, the Office of Naval Research, 100 Alabama Street SW, STE 4R15, Atlanta, GA 30303, as part of the Property Systems Survey concluded on October 28, 2010, and approved by reference on October 28, 2010.

PURPOSE
This policy shall provide by reference, Mississippi State University with procedures for the purchase, inventory, reporting, and disposal of Federal Property.

NONCOMPLIANCE
Noncompliance with the processes and procedures detailed in the Policy Manual can result in Property Audit exceptions, fines for serious or repeated noncompliance, and suspension of Mississippi State University from receiving federal funds.
